Our Wines

Cabernet Select - The Cabernet Special Selection goes one step further from our Reserve Cabernet. Selected as the best barrels of the vintage, aged for 27 months in new cooper select French oak barrels from Demptos Cooperage, one of the oldest and most respected in France. Blended with Merlot, Cab Franc, and Petite Verdot, to achieve a rich opulent wine, with blackberry and mocha laced currant. This wine should age for 10 or more years.

Cabernet Reserve - The Reserve Cabernet represents the ultimate expression of our wines. Aged for two years in French oak and blended to achieve a complex full bodied wine that will only improve with age.

Cabernet Signature - Our Signature Oakville Cabernet offers rich vibrant currant and blackberry with a hint of vanilla and anise. It has a long soft finish and is ready to drink now, but should age gracefully for five to seven years.

Merlot Reserve - This is what merlot should be all about. The grapes come from a 3 acre hillside vineyard with traditionally low yields that produce an age worthy, remarkable merlot. A structured yet complex merlot, with elegant and aromatic dark berry flavors. Warm spices and cedar accents linger in this wine's balanced finish. Try it and you will not be disappointed.

Chardonnay - Crisp pear and hazelnut aromas float above a core of rich layered fruit. With great balance and acidity, this wine will only improve with age.

Rose' of Merlot - This Rose' is in the style of the Rhône Valley of France. Fermented in concrete tanks, which is an ancient tradition that dates back to over 2,000 years when the French and the Italians aged in stone to give the wine its mineral taste. Clean and refreshing, with a lovely floral bouquet suhering in ripe white mulberry, balanced nicely with a dry crisp finish. Perfect as an aperitif, this Rose' will pair well with many foods.

Enjoy! John Gilpin, Winemaker
